TRANSFORMATIONAL LEADERSHIP— THE WORKFORCE OF TOMORROW

COVID-19 has changed—perhaps permanently—America’s workforce and workplace. Aging employees are retiring at record numbers. Companies are actively rethinking and reimagining tomorrow’s workforce:

- How has HR’s role been transformed given new mandates, priorities, and hybrid schedules?
- What are some best management practices for optimizing the recruitment process?
- How are CEOs fostering the firm’s culture and teambuilding and grooming tomorrow’s leaders?
- What changes are being made to restructure the office, facilities, and processes to achieve business goals?
